Direct PLUS Loans for Parents
2015-2016

Parents of dependent students may apply for a Direct PLUS Loan to help pay their child's education expenses as long as certain eligibility requirements are met. Graduate and professional students may apply for PLUS Loans for their own expenses.

To be eligible for a Direct PLUS Loan for Parents:

- The parent borrower must be the student's biological or adoptive parent. In some cases, the student's stepparent may be eligible.
- The student must submit a Free Application for Federal Student Aid (FAFSA). Go to [fafsa.ed.gov](http://fafsa.ed.gov) to complete this process.
- The student must be a dependent student who is enrolled at least half-time at a school that participates in the Direct Loan Program. Generally, a student is considered dependent if he or she is: under 24 years of age; has no dependents; is not married; a veteran of the armed forces; a graduate or professional degree seeking student; or a ward of the court.
- The parent borrower must not have an adverse credit history (a credit check will be done). If the parent does not pass the credit check, the parent may still receive a loan if someone (such as a relative or friend who is able to pass the credit check) agrees to endorse the loan. The endorser promises to repay the loan if the parent fails to do so. The parent may also still receive a loan if he or she can demonstrate extenuating circumstances.
- The student and parent must be U.S. citizens or eligible noncitizens, must not be in default on any federal education loans or owe an overpayment on a federal education grant, and must meet other general eligibility requirements for the federal student aid programs.
- The parent that completes the following Parent Loan Information form must have a US Department of Education Personal Identification Number (PIN) that is required when signing the PLUS Master Promissory Note. If they do not have a PIN, go to [pin.ed.gov](http://pin.ed.gov) to obtain one.

The current interest rate for Direct PLUS Loans is 6.84% (Subject to change). The PLUS Loan repayment period beings when the loan is fully disbursed. The first payment is due 60 days after the final disbursement. For additional information on PLUS Loans, please go to [studentaid.ed.gov](http://studentaid.ed.gov).

To apply for a PLUS Loan, please complete the attached DSU Parent Loan (PLUS) Information Form and submit it to the Dixie State University Financial Aid & Scholarships Office.

Once we have preformed the credit check, you will be notified of the results. For those that pass the credit check, your loan will be originated with the Department of Education and you will be notified when you can sign your MPN. For those that fail to pass the credit check, you will receive an email giving you the option to get a co-signer or you can have your child, come to the Dixie State University Financial Aid & Scholarships Office and request additional unsubsidized loan.
